## **Driving Directions**

### **From Highway 101 North and South**

Exit onto Embarcadero Road and travel west, following the signs directing you to Stanford University. About three miles after you exit the freeway, Embarcadero Road becomes Galvez Street. Turn right on Campus Drive East. Continue to Campus Drive West. Turn left on Via Ortega.

### **From Highway 280 North and South**

Exit onto Sand Hill Road and follow the signs for Stanford University. Heading east, drive approximately three miles to the Stanford Shopping Center. Turn right onto Arboretum Road (Nordstrom is on your right). Stay on Arboretum until it ends, then turn right onto Galvez Street. Turn right on Campus Drive East. Continue to Campus Drive West. Turn left on Via Ortega.

### **From SFO Airport**

Drive south (toward San Jose) on US-101 (Bayshore Freeway). Take the Embarcadero Road exit west toward Stanford University. At El Camino Real, Embarcadero turns into Galvez Street as it enters the university. Turn right on Campus Drive East. Continue to Campus Drive West. Turn left on Via Ortega.

### **From Oakland Airport**

Drive south (toward San Jose) on I-880. Take CA-92 west (toward Half Moon Bay and San Mateo Bridge). Be prepared to pay a \$5 bridge toll. Take US-101 (Bayshore Freeway) south (toward San Jose). Take the Embarcadero Road exit west toward Stanford. At El Camino Real, Embarcadero turns into Galvez Street as it enters the university. Turn right on Campus Drive East. Continue to Campus Drive West. Turn left on Via Ortega.

## **Public Transportation**

**Cal Train** - Commuter rail transit between San Francisco and San Jose, including the new high-speed Baby Bullet train. Take the free Marguerite Shuttle from Caltrain Station to campus.

Arrive at the University Avenue/main Palo Alto station, take the Marguerite A line, and disembark in front of the Hewlett Teaching Center. Take the walkway between the Hewlett building and the Packard Electrical Engineering building. The Huang Engineering Center is the second building on the right.

For more information about Cal Train please visit the website at

[http://www.caltrain.com/stations/California\\_Ave\\_Station.html](http://www.caltrain.com/stations/California_Ave_Station.html)

**BART** - Light rail service across the Bay Area. The nearest station to Stanford is Millbrae, which is about 20 miles north. For more information about BART please visit the website at - <http://www.bart.gov/>

## **Parking**

### **Stanford Campus Parking**

The large parking structure will be on your right on Via Ortega. You will need to purchase a \$12.00 permit from the parking permit machine. You must have exact change or a credit card.

### **Cal Train Station Parking**

Another option is to park at the California Avenue Cal Train station and pay \$3 for the entire day. Take the Marguerite C line, disembark in front of the Hewlett Teaching Center. Take the walkway between the Hewlett building and the Packard Electrical Engineering building. The Huang Engineering Center is the second building on the right. Driving directions to the Cal Train Station are as follows:

Drive south (toward San Jose) on US-101 and take exit 402 for Embarcadero Rd./Oregon Expy. Keep left at the fork, follow signs for Oregon Expy., and merge onto Oregon Expy. Make a slight right at Birch St. Turn right at S. California Ave. The Cal Train Station will be on the right.

## **For Attendees Staying at the Recommended Local Hotels**

Marguerite is Stanford's free public shuttle service, which travels around campus and connects to nearby transit, shopping, dining, and entertainment. For more information about the Marguerite Shuttle please visit the website at - <http://transportation.stanford.edu/marguerite/>

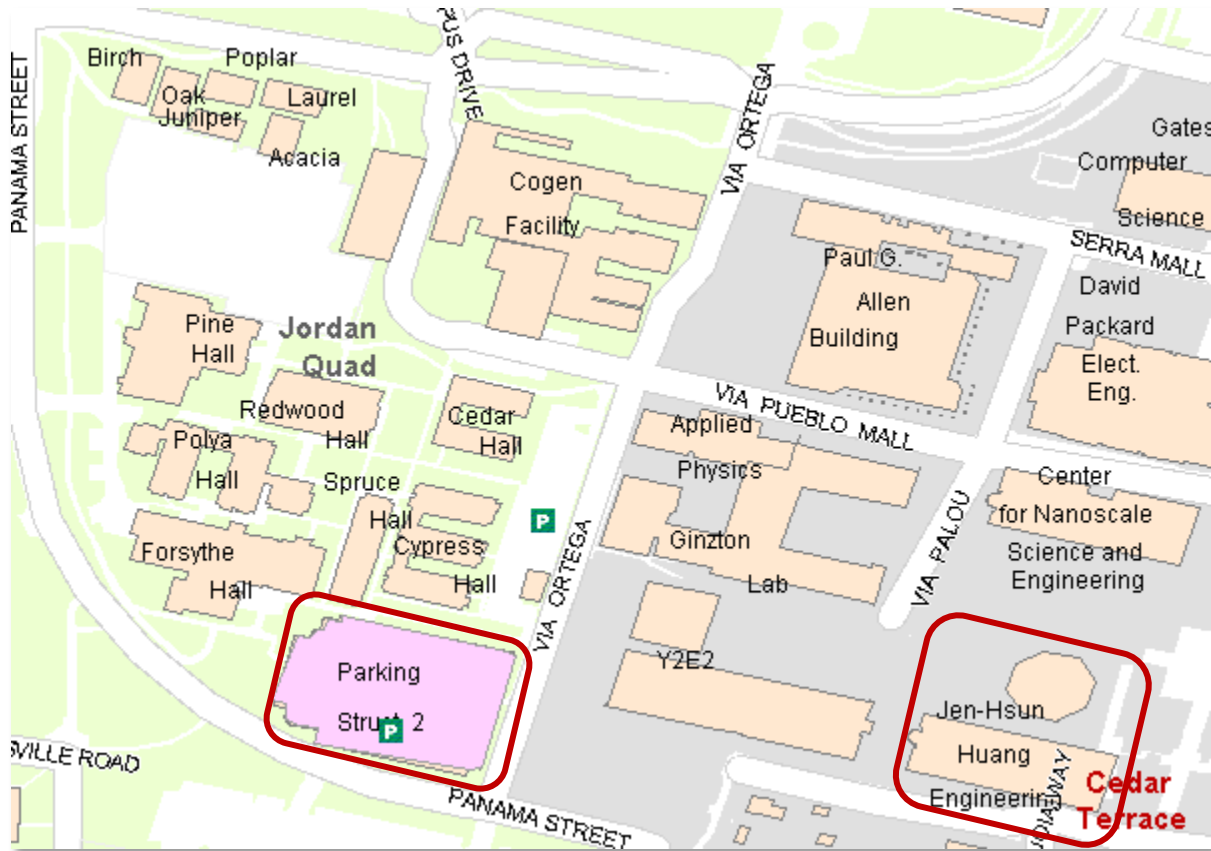

**Sheraton and Westin** – Use the Marguerite Bus Line B counterclockwise and this will take you to the Y2E2 Bldg and the Huang Center is located directly behind it.

**California Hotel** – Use the A Line which you can catch by stepping across the street and down 1/2 block to the bus stop.

**Creekside** – Has a hotel shuttle that will provide service to the Stanford Campus.
